

New Zealand's 2020 National Conference

NEWS letter 2019

A Christmas and New Year Greeting!

Kia Ora and buckets of aroha for you all heading into this season of celebration for the birth of our Prince of Peace and King.

We want to thank those who have already registered for our upcoming Conferences in February 2020 in **the 'early bird registration window' which is due to end on 13th December**. It is good to know there is good interest to learn and network together in a conference environment. We have not put a cut-off date out there for registrations to be in by, however from an administration viewpoint, **it would be helpful for us if 99% of registrations were in by 31st January 2020**.

So that there is more clarity about the topics for the two forum sessions we have planned for Friday, we felt that it was important to let you know that we thought it would be good to have a forum for those involved in Messy Church on 'Sustaining your Messy Church', and another forum for those thinking about starting a Messy Church - 'Key things to consider about starting your Messy Church.'

The dates are 14-15th February 2020 in Rotorua and 21-22 February in Christchurch and you can register on the website www.messychurch.nz. Follow the link to the conferences for more info and registration. For more info email: richard@messychurch.nz or carrole@messychurch.nz

We wish you all a safe and blessed Christmas season of celebration and may the new year see you refreshed and energized for 2020!

Summer blessings from the

Messy Church New Zealand Team

Richard, Jocelyn, Angela and Carrole
