

Messy Church Spring Newsletter 2021

Thank you to all of you who are continuing to run a Messy Church or on the verge of starting a Messy Church through the ups and downs of the levels of lock down we have been experiencing. We know that God is still in the business of making disciples through His people, which includes you, and gives us all skills and gifts to work in and through restrictive times. We would love to hear from you some of the innovative and exciting things that have happened in your Messy Church, so please either send an email to info@messychurch.nz or a face book message, as it is good to share what God is doing through Messy Churches up and down the country.

Coming up in November, we are planning to have two Messy Church zoom gatherings to connect us in across the country. One in the afternoon of Tuesday the 23rd from 1:30pm to 2:30pm and one on Wednesday evening the 24th from 7:30pm to 8:30pm. During these times, we would plan to have some updates from our Regional Coordinators, some of our National Team and also give some time to those of you who either have something exciting to share or a burning question you would like answered. We look forward to having as many of you and your team as you are able, to join with us at one or both of these times.

May God continue to bless you as you journey with and serve Him.

Richard - Team Leader of the National Team.
